LOCATION

A plot of land located on the eastern edge of St Helens Town Centre, adjacent to St Helens Central train station.

The subject site is accessed directly from the train station car park via a tunnel running under Corporation Street.

The surrounding area is commercial in character.

St Helens linkway can be accessed within a mile of the land, which in turn leads to junction 7 of the M62 motorway 4 miles to the south.

DESCRIPTION

The site comprises 0.43 acres of open land of mixed surface, suitable for car parking or storage (subject to planning).

The surface is part concrete pad, part setts and part unmade land. The boundary is made up by steel palisade fence to the eastern boundary adjacent to the railway, timber fencing to part of the northern boundary, concrete reinforcement to the embanking to the remainder of the northern and to the western boundary and a brick bridge to the southern boundary under Corporation Street, where the tunnel access from St Helens central train station lies.
