Location

The new Deansgate Gardens development occupies a 1.1-hectare site, centrally located within the heart of Bolton Town Centre, with the entire development occupying the land between Deansgate, Central Street, Ridgeway Gates and Palatine Street. This development has created a brand-new neighbourhood within the town centre, comprising 167 homes, which are finished to a high quality and comprise a mixture of 1- and 2-bedroom duplexes and apartments.

To the front of this brand new development, with retail frontage to Deansgate, there are three new retail units which will benefit from a customer base of potentially 300+ people living right on the doorstep.

The development is surrounded by attractions including Bolton Town Hall, Le Mans Crescent, The Victoria Hall, Market Place Shopping Centre and Bolton Market with its new, 170 seater indoor Food Hall expansion, all situated within walking distance of the development.

Town Centre Development

Crompton Place

Bolton Council are progressing with plans to demolish the existing Crompton Place Shopping Centre and redevelop with a £175million mixed-use scheme. The scheme is due for completion by Summer 2027 and will comprise of 46 retail units and kiosks, a 170,000 sq ft office space to include co-working spaces and innovation hubs, 180 homes and a 110 bedroom hotel, 300-space car park and mixed use retail, leisure, dining and events space.

Bolton Market

Bolton Market has recently been extended, with the addition of an indoor food hall, with 9 stalls occupied by independent hot food vendors offering a variety of food, set within a hall with indoor seating for approximately 170 people, with additional outdoor seating (covered and uncovered). The food hall opened at the end of May 2024.

Bark Street & St Georges Road Development

To the north of Deansgate Gardens, over the River Croal, a development completed in September 2025 to a 1.45-acre site between Bark Street and St Georges Road. The site provides just under 60 new homes, which are a mixture of two-, three- and four bedrooms available for both shared ownership and rent-to-buy. These high-quality affordable homes are likely to appeal to young families and professionals and is within walking distance of the subject development, providing an additional customer base for the units.

Elizabeth Park

Bolton Council have completed works on the former Odeon Cinema site whereby the first new park in over 120 years has been opened in the town centre. The park brings a green space to the town centre, providing a park that is named in honour of Queen Elizabeth II and providing an open, accessible and welcoming for visitors and locals.

Former Moor Lane Bus Station

Work has begun on developing the former bus station site to build a further 114 one- and two- bedroom apartments, which will bring the wider scheme to a total of approximately 200 homes, with some small commercial units and green space also on site. The scheme includes new cycle paths and enhanced pedestrian routes. This is part of Bolton Councils £100 million masterplan, which is aimed at improving public areas, green spaces and multipurpose opportunities, which in turn will help regenerate the town centre.

Le Mans Crescent

This scheme will turn Victoria Square into a year-round events space and transform parts of the Town Hall into conference space. It would also create a four-star hotel, which would be operated by IHG.

Church Wharf

A scheme at Church Wharf obtained planning permission in October 2025 that will bring a further 415 new homes, a 130-bedroom hotel and new commercial space across a 7.5-acre location in Bolton Town Centre alongside the River Croal. This development is aiming for phased completion through to 2029.

Description

These brand-new retail premises comprise, high quality, ground floor commercial units, prominently set at the front of the new Deansgate Gardens development, a development providing homes for up to 300 residents. The units benefit from substantial retail frontages to Deansgate, close to the pedestrianised area of the town centre. Each unit is currently in shell form, though the landlord is willing to provide incentives to Tenants (subject to terms) to take on in their current form and fit the unit out entirely to their own specification. Alternatively, the Landlord can complete a "White Box" fitout ready for a tenants to occupy (Subject to terms).

The wider development comprises a purpose-built neighbourhood of 167 high quality homes, a mixture of 1-bed apartments, 1.5-bed apartments, 2-bed apartments and double stacked town houses, all

set within a 1.1-hectare site. Occupiers of these residences are from a wide range of people from young professionals working in the town, to families looking for convenience of town centre amenities, all providing a substantial customer base on the doorstep of these new units.

Unit 4 & 5 is to be occupied by one of the leading Convenience Store operators from September 2026, with works to the unit currently under way. Unit 1 & 2 remain available.

Please see Accommodation schedule for the sizes of the available units set at the front of the new Deansgate Gardens development which was completed in August.

Accommodation

Label on Plan	Gross Internal Area M ²	Gross Internal Area Ft ²
Unit 1	79.4	855
Unit 2	74.5	802
Unit 4-5	238.4	2,566

Unit 1

Unit 2

Unit 4-5

Unit 1 (79.4 m² / 855 ft²)

Unit 1 occupies the front left corner of the site, at the junction of Deansgate and Central Street, close to the crossroad junction with Howell Croft North, which in turn leads on to Le Mans Crescent where Bolton Town Hall is situated.

The unit is currently in shell form but can be provided to tenants as in "white box" condition, with connection points to mains electricity and water and ready for internal fitout. Occupiers will benefit from several display windows within the frontage to Deansgate.

The attached image is a CGI impression of how the space could present as a Coffee Shop or Café, however alternative uses would be considered such as (but not limited to) Hair & Beauty, Retail or Offices.

Unit 2 (74.5 m² / 802 ft²)

Unit 2 occupies a central location within the development's frontage, with a retail frontage to Deansgate and located adjacent to the pedestrian access to the residential development at the rear, benefitting from the passing foot traffic.

The unit would be ideal for local retail occupiers, service providers, offices, salons, barbers, or similar users, benefitting from a large customer base right on the doorstep, set within the residential development above and to the rear.

The unit is currently in shell form, but can be provided to Tenants in white box condition, with connection points to mains electricity and water and ready for internal fitout.

The attached image is an CGI impression of how the space could present as a Salon, however alternative uses would be considered such as (but not limited to) Hair & Beauty, Retail or Offices.

UNDER OFFER

Unit 4-5 (238.4m² / 2,566 ft²)

Unit 4-5 lies at the front right corner of the site, at the junction of Deansgate and Ridgeway Gates and close to the pedestrianised part of the Town Centre. The adjacent block, situated on the other side of Ridgeway Gates, is home to established operators including McDonalds, Shaws Amusements and Max Spielmann.

This unit would be ideal for a convenience store operation, benefitting from the residential development at the rear alongside the existing Town Centre foot fall.

The unit is currently a shell but can be provided to tenants in white box condition, with connection points to mains electricity and water and ready for internal fitout. Occupiers will benefit from several windows within the frontage to Deansgate.

The attached image is a CGI impression of how the space could be presented as a convenience store. Alternative uses may be considered subject to terms.
